

# The Friendship Trek trail

Meet Friendship Circles and Circle Guides at the start of the trail, Trailhead Opening, then travel to five rotation sites with several other circles. All sites reinforce the Main Ideas and help children discover Jesus, our Forever Friend! Finally, everyone returns to Friendship Summit for a large-group closing.

Remember, preschoolers have their own separate program with age-appropriate openings and closings. See pages 21–23 and the *Preschool Pals Leader Guide* in your *Starter Kit*.
