Making Space for 151–300 Elementary Children

Make 26–50 Friendship Circles and assign them to 6–10 Rotation Groups, each with 30 children, plus 5 Quest Leaders.

For fewer children, make fewer Rotation Groups so Site Leaders repeat activities fewer times. Simply delete all references to the same Rotation Group on the chart.

To vary the schedule for each day, simply shift the Rotation Group numbers (e.g., change Group 1 to Group 2).

With five minutes to rotate between sites, your schedule looks like this.

1 Friendship Circle
= 6 kids &
1 Circle Guide

5 Friendship Circles
= 1 Rotation Group
